# **Student Testimonials – Our Proud Alumnae**

**“ The BMS course helped me boost my interest in management. My journey at SNTT was an enriching experience, offering great learning opportunities and shaping my career path. ”**

**“ My current role is a mix of both HR and Finance—both of my majors in the BMS course. BMS was the perfect course for me! ”**

**My time at SNTD was a phase of growth & transformation. I had the opportunity to learn from experienced faculty, seek mentorship, engage in research projects, and participate in academic competitions. It was a journey filled with valuable learning, lasting friendships, and cherished memories."**

**My experience at SNTD has been incredible. The college has not only shaped my understanding of management principles but also helped me develop essential leadership and analytical skills. The faculty, supportive environment, and diverse learning opportunities have played a significant role in my personal and professional development.**
